FREE Wi Fi

Welcome to Seattle Center Wi-Fi

Requirements:

To access the Seattle Center Free Wi-Fi system you will need a laptop or handheld device with 802.11b/g wireless capability.

Configuration:

1. Configure your Wi-Fi system with the following settings:
a. Network Name/SSID: SeattleCenterFreeWiFi
b. Mode: Infrastructure
c. Authentication: Open
d. Encryption: Disabled
2. Configure your network settings to:
a. All TCP/IP options: DHCP or Auto
3. Configure your Web browser to not use a proxy server.

Connecting:

1. Setup your device with the above configuration.
2. Open your Wireless Connection dialogue box and look for "SeattleCenterFreeWifi" in the list of available wireless networks.
3. Highlight SeattleCenterFreeWifi and click Connect.
4. Open your web browser. The Welcome page with our Acceptable Use Policy will appear.
5. Read the Policy and click "Accept" if you choose to proceed.
6. After you click Accept you will be redirected to www.seattlecenter.com/wifi for information about seattle Center.
7. You're now free to surf the web.

Technical Support:

Each computer, network card and operating system is different so these instructions may not answer all of your questions. Our staff can only provide limited assistance. Please report network outages to our Customer Service Desk in Center House. For simple connectivity issues, feel free to email seattlecenterwifi@seattle.gov. For advanced technical support, contact your hardware vendor.

Seattle Center offers FREE Wi-Fi in several locations including Center House, International Fountain, Fisher Pavilion Rooftop, Mural Amphitheatre and the Northwest Rooms Courtyard. More wireless locations to come online later in 2009. See Reverse for a map indicating current coverage areas.
